Professional Summary

Java Full Stack Developer with 3+ years of experience in designing, developing, and customizing enterprise applications using Java, Spring Boot, React.js, Ext JS, and SQL. Experienced in HxGN EAM customization, REST API development, enterprise integrations, workflow automation, UI development, database optimization, and production support. Successfully delivered solutions for global clients, including DHL, WISAG, Nutricia, EVOS, Advorio, and Veolia. Proficient in Java EE, Oracle, MySQL, Git, and Agile development practices, with a strong focus on building scalable, high-performance enterprise applications.

Technical Skills

Programming Languages: Java, Java EE (J2EE), JavaScript, SQL, HTML5, CSS3, Python (Basic)

Frameworks & Libraries: Spring Boot, Spring MVC, Hibernate, React.js, Ext JS, Struts

Enterprise Platforms: HxGN EAM (Infor EAM), Enterprise Asset Management (EAM)

Databases: Oracle Database, MySQL, Microsoft SQL Server

Web Technologies: RESTful APIs, JSON, AJAX, XML

Tools & IDEs: Git, SVN, Maven, Eclipse, IntelliJ IDEA, Postman, Swagger, JBoss Application Server

Concepts: Object-Oriented Programming (OOP), Collections, Multithreading, JDBC, Microservices, SDLC, Agile, Design Patterns, Database Design, Query Optimization, Exception Handling

Domain Expertise: HxGN EAM Customization, Enterprise Integrations, Business Rules, Workflows, Forms & Grids, Production Support, Performance Optimization

Professional Experience

Technical Developer | MCT India Infotech Pvt Ltd | May 2023 – Present

- Customized 20+ HxGN EAM modules using Java, Ext JS, JavaScript, SQL, and Spring Boot.
- Developed custom screens, grids, business rules, workflows, and validations.
- Built REST APIs and integrated enterprise applications with third-party systems.
- Optimized SQL queries and improved application performance.
- Implemented OneDrive and document management integrations.
- Resolved production issues and participated in deployments.
- Worked with international clients including DHL, WISAG, Nutricia, EVOS, Advorio, Veolia, JMB, EMO, ITQ, and KES.

Java Full Stack Developer Intern | JSpiders, Bengaluru | Mar 2022 – Apr 2023

Technologies: Java, Spring Boot, Hibernate, React.js, HTML, CSS, JavaScript, SQL, MySQL

- Developed full-stack web applications using Java, Spring Boot, Hibernate, and React.js.
- Designed responsive user interfaces and implemented RESTful APIs.

- Wrote SQL queries and performed database operations using MySQL.
- Participated in SDLC activities, including development, testing, debugging, and deployment.

Project Experience

Enterprise Asset Management (HxGN EAM / Infor EAM)

Clients: Nutricia, WISAG, DHL, JMB, Evides, KES, EVOS, Advorio, EMO, ITQ, Veolia, Futura, SSB, Gates, MOC, JOTC, and HMC

Role: Technical Developer / Java Full Stack Developer

Technologies: Java, Java EE, Spring Boot, Ext JS, JavaScript, SQL Server, Oracle, HTML, CSS, JBoss Application Server, Stored Procedures

Key Responsibilities & Achievements:

- Customized HxGN EAM applications based on client requirements.
- Developed custom screens, workflows, business rules, and reports using Java and Ext JS.
- Designed REST API integrations with external enterprise systems.
- Optimized SQL queries and improved application performance.
- Resolved production issues and participated in deployments.

MVP Talent Market

Role: Software Developer

Developed a web-based talent management platform that supports executive search, applicant tracking, and job board management. The application streamlines the recruitment process by enabling efficient candidate management, job postings, and hiring workflows.

Technologies: Java, Spring MVC, HTML, CSS, JavaScript, SQL Server, Stored Procedures

Key Responsibilities:

- Developed application modules using Java and Spring MVC.
- Designed SQL queries and stored procedures for database operations.
- Built responsive user interfaces using HTML, CSS, and JavaScript.

Key Achievements

- Delivered enterprise solutions for global HxGN EAM clients.
- Developed REST APIs and third-party system integrations.
- Improved application performance through SQL optimization.
- Provided end-to-end development, deployment, and production support.

Education:

Bachelor of Technology (B.Tech) – Computer Science & Engineering (RGPV), Bhopal | 2022

Intermediate (PCM): Bihar School Examination Board (BSEB), Patna | **2018**

Matriculation: Bihar School Examination Board (BSEB), Patna | **2016**
